## BUY ART AND SUPPORT THE NATURE

Covid-19 had a big impact for all of us mentally, physically and also financially. But it had an impact as well on the nature and the maintenance on the trails.

Nature is one of Jelle's most important sources of inspiration for his artworks, that's why we decided together that we would like to dedicate 50% of all the profit we made after costs to do maintenance on I Percorsi Occitani, the hiking trails in Valle Maira where San Martino is located.

## KUNST KAUFEN UND DIE NATUR UNTERSTÜTZEN

Covid-19 hat uns alle mental, physisch und auch finanziell stark beeinflusst. Aber es hatte auch Auswirkungen auf die Natur und die Pflege der Wanderwege.

Die Natur ist eine der wichtigsten Inspirationsquellen Jelles für seine Kunstwerke, deshalb haben wir gemeinsam beschlossen, dass wir 50% des gesamten Gewinns, nach Abzug der Kosten, für die Instandhaltung der Percorsi Occitani, dem Rundwanderweg im Valle Maira, in dem San Martino liegt, verwenden möchten.

## ACQUISTA ARTE E SOSTIENI LA NATURA

Covid-19 ha avuto un enorme impatto su tutti noi mentalmente, fisicamente e finanziariamente. Ma ha avuto anche un impatto sulla natura e sulla manutenzione dei sentieri.

La natura è una delle principali fonti di ispirazione di Jelle per le sue opere d'arte, così insieme abbiamo deciso che il 50% di tutti i profitti, dopo le spese, sarebbe stato utilizzato per mantenere i Percorsi Occitani, il sentiero circolare in Valle Maira dove si trova San Martino.
